

# Venus Touching Sun

this is true some of the time, but old desert hands definitely know that the worst cactus spines are the wispy little guys that get stuck everywhere and are hard enough to see, let alone remove.

my doctor also told me to double my dose - but i am scared to do that, i'm going to ask to go back to effexor

**venus touching sun**

hello there, just became alert to your blog through google, and found that it's truly informative
